Reading and Use of English • Part 2

For questions 9–16, read the text below and think of the word which best fits each gap. Use only **one** word in each gap. There is an example at the beginning (0).

Tips! You might find that you can think of several words which could fit a gap. Read the text around the gap very carefully as only *one* word will fit.

Example: 0 M U C H

Water

We all know that water is essential for our health, and that we should drink as (0) of it as possible. Yet in (9) *spite* of this, many of us still don't drink enough, so bottled water is a good way of (10) *making* sure we drink clean water while we're on the move.

Unfortunately though, the manufacture of all those plastic bottles can result in a lot of waste, (11) *due to* the amount of oil required. It's actually (12) *the* equivalent of keeping a million cars on the road for a year! Also, if empty bottles are (13) *not* properly disposed of, they can cause a major pollution hazard.

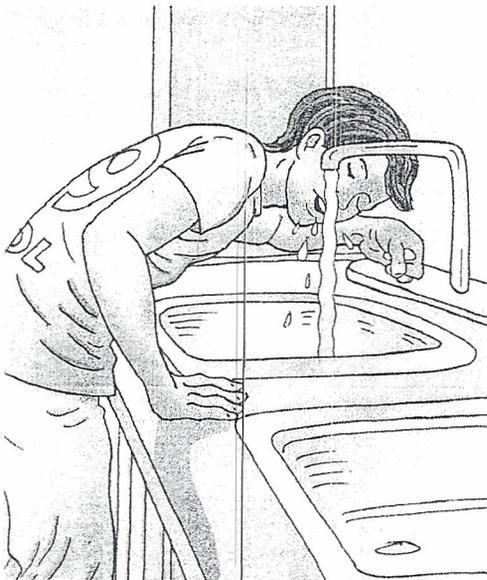

However, there are steps we can take to improve the situation. For example, very (14) *few* of the plastic bottles we use get recycled. So (15) *instead* of throwing them in the bin, we should send them to a recycling centre where the plastic can be re-used. And in many countries now, the water (16) *which / that* comes straight from the tap is perfectly clean and safe to drink so perhaps many of us don't need to buy bottled water at all.

Advice

9 This sentence is **contrasting** with the sentence before it, so it needs a contrasting link.

11 This part of the sentence is giving a **reason** for plastic bottles causing waste. What kind of link is suitable?

13 Will this part of the sentence be positive or negative? Read on to the second half of the sentence before you decide.

Reading and Use of English • Part 3

For questions 17–24, read the text below. Use the word given in capitals at the end of some of the lines to form a word that fits in the gap in the same line. There is an example at the beginning (0).

Write your answer **IN CAPITAL LETTERS** on the separate answer sheet.

Example: 0 U N U S U A L

Tips! Don't worry if you can't understand every word of the text. Read the rubric and title carefully first, then read through the text to see what it is about. Read the whole sentence before you put a word in the gap. You have to decide what kind of word fits the gap (noun, verb, adjective or adverb). Read the sentence carefully to check which one is needed.

Gliding

What's the most (0) birthday present you've ever been given? How would you feel if your birthday surprise turned out to be an (17) to gliding? That's exactly what happened to me – when I was only 8 years old!

I'd never experienced anything like it – absolutely (18)! After that I was hooked, so my parents arranged another (19) for me as soon as they could, and then I started taking lessons. It's been the perfect (20) for me – I learn a lot and I'm outside too, which I love.

I don't think my friends really understand my (21), though. They're more into music and fashion. I enjoy those, too, but there's nothing to beat the (22) views I get from inside the glider.

Anyway, I finally flew solo on my 16th birthday, which was the (23) I could possibly do it. And soon I'm due to compete in some national gliding (24) Wish me luck!

Advice

17 The article before the gap tells you that one of the word categories you looked at (noun, verb, adjective, adverb) is likely to be the answer. Why couldn't a verb, adjective or adverb fit here?

18 Should this word be positive or negative?

23 This is a superlative – what changes will you need to make?

Test 1 Exam practice

Reading and Use of English • Part 4

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **two** and **five** words, including the word given. Here is an example (0).

Tip! Make sure the second sentence means *exactly* the same as the first – read it carefully.

Example:

0 Karen didn't really want to go to the party.

FORWARD

Karen wasn't really to the party.

The gap can be filled by the words 'looking forward to going', so you write:

Example:

0 LOOKING FORWARD TO GOING

Write **only** the missing words **IN CAPITAL LETTERS** on your answer sheet.

Advice

26 Think of a phrasal verb that includes the word *round*. What construction might you need after it? -ing or to?

27 Do you need *stop to do* or *stop doing*? Which has the right meaning for this context?

30 Remember that *unless* often acts as the negative of *if*. You also have to find a verb to go with *permission* that means says it's OK.
